Tomás Sercovich

CEO, Business In The Community Ireland

CEO, Business In The Community Ireland

Il a été nommé CEO de Business in the Community Ireland en janvier 2018. Auparavant, il a travaillé pour Forética, le plus grand réseau de développement durable d'Espagne, en tant que directeur des affaires extérieures, où il a renforcé le profil international de l'organisation, sa réputation et son impact externe.

Entre 2002 et 2012, il a occupé plusieurs postes au sein de Business in the Community Ireland, dont celui de Responsable de l'équipe Membership Services. Il est membre du conseil d'administration de CSR Europe depuis 2008 et membre du World Business Council of Sustainable Development. Il a été juge aux Chambers CSR Awards et conférencier régulier lors de conférences internationales.

Tomás est titulaire d'un baccalauréat en relations internationales de l'Université de Belgrano en Argentine et d'une maîtrise en relations internationales et gestion internationale de l'Université de Bologne en Italie. Il détient également un certificat en management de l'écoel DIT.

He was appointed CEO of Business in the Community Ireland in January 2018. Previously, he was with Spain's largest sustainability network, Forética as Director of External Affairs, where he increased the international profile of the organisation and its external reputation and impact.

Between 2002 and 2012 he held several positions with Business in the Community Ireland, among them Manager of the Membership Services Team. He is a member of the Board of CSR Europe since 2008 and is a member of the World Business Council of Sustainable Development. He has been a judge at the Chambers CSR Awards and a regular speaker at international conferences.

Tomás holds a Bachelor's degree in International Relations from Universidad de Belgrano in Argentina and a Master's degree in International Relations and International Management from the Università di Bologna in Italy. He also holds a Certificate in Management from DIT.
